About This Content

Rise of Insanity Official Soundtrack composed by Wojciech "Boutcher" Śliwa is a music way of telling a story about dr Dowell's journey through the human mind, 5d3b920ae0

Title: Rise of Insanity - Original Soundtrack
Genre: Adventure, Indie
Developer:
Red Limb Studio
Publisher:
Red Limb Studio
Release Date: 1 Mar, 2018

English

An extremely moody and tasteful orchestral-style score (with lashings of piano and some deliciously synth-y strings). An absolute steal at the price they're asking for seventeen tracks. Red Limb Studio continues to impress me with both the quality of their games and the intelligence of their business practices. Indie done right, methinks. Verdict: 9.5/10.
